

Supporting families with children in hospital

Dear GD Construction,

On behalf of Ronald McDonald House Charities and our team here at Ronald McDonald House Manchester, we would like to thank you for supporting our 9th Annual Golf Event on Thursday 30th April. Due to your generosity, we raised over £14,000 which will provide 560 nights of accommodation for families with a child in hospital.

The event itself was great success, and we are truly grateful to each and every one for being part of this. We would like to thank you personally for your hole sponsorship. Your contribution will help us to provide 28 nights of free accommodation for a family. It is much appreciated.

Pictures were taken of the event and will be available to view via our Facebook site www.facebook.com/RMHManchester

As you may know, it costs us between £600,000 and £700,000 each year to keep the Manchester House open to families, and last year, we enabled over 800 families stay close to their sick child, by providing free home from home accommodation.

We have recently sent out information regarding this year's Gala Dinner for both tables and sponsorship opportunities. Please get in touch if you would like more information, or to reserve a table, as places are selling fast.

We are often in need of auction/raffle prizes for a number of events throughout the year and we would be delighted to hear from you if you would be interested in supporting any of these. In the meantime, if you would like to arrange a visit for you or your colleagues to come to the House, please do not hesitate to contact us.

On behalf of the many families who will benefit from your support, thank you once again.

Yours sincerely

Anna Bullock
